## Welcome

Welcome to the 2008 football season. After lots of hard work and organising, we are all excited to be kicking again! Thanks to everyone who has offered to give their time in coaching, managing or playing for Lake Albert this year.

### Website Launch

In the off-season, LASC launched its official website. The website will be used as the primary means of communication between the club and its members. On the website you will find information such as:

1. Upcoming events

within the club, such as social nights, information evenings and match schedules

2. Information on events happening within football in Wagga, such as gala days
3. Match schedules, draws and results
4. The Captains Log

### Merchandise

LASC has launched its own range of merchandise. Items for sale include beanies and hats. See the website for further details.

## Club House

LASC has secured a long-term lease with Wagga City Council to use the old day-care centre at Rawlings Park as a club house. This is an exciting development and will allow the club to establish a home at Rawlings Park. Some development work is required and we are looking for anyone who can help such as:

- ☐ Designers and drafters
- ☐ Builders, Plumbers, electricians, plasterers and painters

Initially, we are looking to redesign the toilets and do security works. Please contact Kath (69225762) if you think you can help.

## This Weekend...Lake Albert vs Wagga United 10/5 at 7pm, Gissing Oval

Lake Albert will be playing Wagga United in Round 2 of the Pascoe Cup this Saturday. Please get along to the game and support the team!

### Feature Team

*Under 6 Lake Albert Mako Sharks Cockatoos, Round 1, Contributed by Kylie Thomas.*

*Madeline, Kieran and Paddy all showed us with their terrific shots how to kick the ball into those ever so small goals. Kieran had been practicing at home and he played a fantastic game.*

*At times Madeline and Brody thought the opposition needed some help and sent the ball in their direction just to make the game a little more challenging. Amielle wanted to know why everyone was bumping her and informed everyone if they would just stop bumping her she could kick the ball. To her credit she did keep trying.*

*Caitlin was the runner of the team with some great chases to get the ball and lots of kicks. Paddy and Madeline received the Coaches award this week. Well done.*

*There was lots of smile all around which was nice... though we do need to remember to feed Brody and Amielle prior to the games.*
